

Who is Really in Control
Mark 11:27-12:12
Guest Speaker Rev. Roger Long

Introduction – Sometimes God’s people forget who is really in control.
When that happens we begin to think it is all about us.

I. Authority questioned – vv. 11:27-33

- The “authorities” question the Lord
- The Lord answers with a question
- Sinners confronted with the truth often lie

II. The truth of the matter – vv. 12:1-12

- A story told – vv. 1-11
- The truth understood – v. 12
- Authority disregarded – v. 12

III. The ball is in our court

- The vineyard is ours
- What are we doing with it?
- The Son will come!

Conclusion – God is in control. He has always been in control. It has never been about us.
