

Hear My Actions  
Walk This Way Series

Introduction - What we do and how we live distinguishes between those who **POSSESS** faith in Christ from those who merely **PROFESS** it!

I. **CLAIMS** without evidence - James 2:14-17

- Question - Is there enough evidence (physical) in our lives to be convicted as a Christian?
- Faith that makes claims without producing fruit (evidence) cannot save.... Oh No! - Ephesians 2:8-10
- Example: Well-wishes without action reveals insincerity

II. Gripping **REALITY** - James 2:18-20

- Actions are what people hear
- Belief in monotheism alone spells trouble
- Recognize the truth/ replacing empty platitudes

III. **MOTIVE** revealed - James 2:21-26

- Abraham's faith was demonstrated when he offered his only son  
- Genesis 15:6
- His fame resulted from works that revealed his belief  
- Romans 4:19-22
- Rahab's works were done by faith - Hebrews 11:31
- A breathless (Greek Pneuma) body and fruitless faith

Conclusion - May we demonstrate our faith by **ACTIONS** daily!
