7 Decisions That Will Change Your Life
Ruth

Introduction - We all have come to major life **CHOICES** that, in the end, all boiled down to: “should I stay or should I go??”

I. Ruth or **DARE**

- Sticking it out is never easy; listen to God, not everyone else!
- The best and most rewarding decision may be to stay even when walking away is simpler
- Ruth had a choice to make - Ruth 1:15-16
- Boaz showed compassion because he heard about her loyalty and love - Ruth 2:11-12
- Everything in her life story changed because she stayed

II. Should I **STAY?**

- What does God want you to want?
- You're not a quitter but a finisher
- Sometimes the greatest act of faith is faithfulness (staying where you're planted) - Galatians 6:9
- If you're tempted to go, seek God, because you never know what He might do if you have the courage to stay

Conclusion - Don't give up...**DON'T. GIVE. UP!**
