Third Line Faith  
Afterward

1. Have you recognized a Christian Atheist worldview in your life? If so, what will it take to move you out into a genuine, crucified life of faith and radical obedience to Christ? Will you get in the wheelbarrow?
2. Do you relate to Line 1, belief in God and the gospel of Christ only enough to benefit from it? Who are the nine ungrateful lepers of Luke 17?
3. Line 2 Christians believe only to the limit of their comfort. What will make you step away from total commitment? Where do you draw the line?
4. Read Matthew 16:25-26. Can you believe in God enough to give ownership of your life to Him? Read Galatians 2:20. What will you sacrifice?...Your desires, hopes, dreams? Read Acts 20:24; Philippians 3:8. Could you give away control?
5. Wherever you find yourself among these lines, will you decide to push forward and not stop?
