

Light of the World – Andy Stanley
Episode 3 – It's Personal
December 17, 2017
(Video: 22 minutes)

1. The true meaning of Christmas is that God sent His Son in the form of a baby to the world, but scripture also says a Son is given (Isaiah 9:6). God's Son was given for the purpose of becoming our **Personal Savior**. What does that mean? When you allowed Jesus to become your Personal Savior, how did it change your life?

2. If you could change one thing about the Christmas season, what would it be? Why?

Please conclude the 9:30am discussions at 10:30am so the Serve Team Members can go to their posts. There are refreshments in the lobby for fellowship time between 10:30 -11am. Thank you for your cooperation!
