Chapter 2 – Too Hungry for Words

1. David tells the story of the house church in Asia and their desire to know the Old and New Testament. He then asks if God's Word is enough for us. What does he mean and what is your answer? Could Gilead do a "secret church"?
2. When we look at God as He really is in scripture, (loving and wrathful) does it comfort us, frighten us or both? Explain!
3. What does the gospel reveal about us in the following verses?
Genesis 8:21; Luke 11:13; Ephesians 4:18; 2 Corinthians 4:4
4. What did Jesus endure from the Father in order that we might be saved? What is the danger of Matthew 7:21-23? Does surrender and self-denial fit into your Christianity? Explain how.
5. What step will you take this week to change your spiritual diet and develop a hunger for God?
