

The Comeback – Louie Giglio
Episode 3– When Dreams are Dashed
October 29, 2017
(Video: 21 minutes)

1. Read Genesis 37:1-9, Genesis 37:18-28, & Genesis 50:15-21. What are some details of Joseph's story that stand out to you? As you look at these parts of the story, what do they reveal to you about Joseph?

2. How do you think Joseph felt when he was in prison and things seemed to be falling apart? How do you cope when things are falling apart in your life? How would you like to respond in these times? (Try to be specific)

3. When the chips are down, we can either blame God or trust in God. Why do you think we tend to blame God when things don't go the way we want? What does it look like to trust in Him and be grateful for His blessings, even when things don't go well?

Please conclude the 9:30am discussions at 10:30am so the Serve Team Members can go to their posts. There are refreshments in the lobby for fellowship time between 10:30 -11am. Thank you for your cooperation!
